Tutoring Experience

Over the past 8 years, I've worked with students across leading international schools in the UAE and online learners globally. My expertise lies in preparing students for A-Level and IB Physics examinations, helping them excel in areas such as mechanics, electricity, and quantum physics.

Beyond secondary education, I have supported undergraduates tackling advanced physics modules. My teaching has helped students secure places in top universities for engineering, applied sciences, and related fields. I provide tailored support to ensure each learner achieves their academic goals.
