🎓 A-Level Maths Tutor | ETH Zurich | MSc in Applied Mathematics

I completed an MSc in Applied Mathematics at ETH Zurich and a BSc at the University of Lausanne. With 10 years of teaching experience in A-Level Maths, IB HL/SL, and GCSE Maths, I've helped students in Switzerland, the UK, and the Middle East excel academically and build confidence in mathematics.

Teaches: A-Level Maths A-Level Further Maths IB Maths GCSE Maths

Curriculum: A-Level IB GCSE

Qualifications

ETH Zurich: MSc in Applied Mathematics (2012–2014)

University of Lausanne: BSc in Mathematics (2008–2012)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

I have been tutoring A-Level Maths and Further Maths for over a decade, guiding students through core topics like calculus, mechanics, and pure maths. My experience extends to preparing students for university entrance exams such as STEP and supporting IB HL/SL candidates with exam-focused revision.

Over the years, I've worked closely with students from international schools in Switzerland and beyond, providing targeted support for GCSE and IGCSE Maths. Many of my students have progressed to study STEM subjects at top universities, consistently achieving top grades in their exams.

Additionally, I've supported learners preparing for advanced modules in mechanics and further pure mathematics, breaking down challenging concepts into digestible components. My role has often involved helping students bridge knowledge gaps and tackle exam questions with confidence.
